Dear Ab.

I enclose Sue's letter
because it takes less time
than to copy what she
said to you, otherwise
you would not get it.

^{you} I suppose wrote
to yesterday all that was
necessary about your
trip. There will be
time to arrange after
you come home. Mrs.
Stiles is not here this
week. One of Mrs. Blake's
children is sick and she
went down for a few
days on that account, leaving
Mrs. Forbush and Miss
Laurie here.

Aunt Jennie will take
your skirt out to you
some day this week.
Don't pay her for it. I
shall take the money
down when I go down
and have written
~~to~~ to her that I shall
do so. The Bulletin says
U. graduating exercises
1st day of June. You say
2nd which is
right. Let me know in
time what you want me
to bring down. I hope
your endow is well
under way by this
time.

Yours Mamma
Joe keeps my heart in
my throat, by his horse
training exploits. He's
train'g Luckee to drive.
